## Product Compliance Statement (REACH, RoHS, Prop 65, Conflict Minerals, etc.)

Abbott Plastics intends to comply with various product compliance regulations and continues to obtain information concerning the materials it supplies its customers. Abbott Plastics is a United States-based distributor (reseller) of plastic materials in sheet, rod, and tube and a producer of machined and fabricated parts only. Our company does not perform formulating, compounding, mixing, melting, or other chemical changes to plastic materials. Abbott Plastics does not independently verify or guarantee vendor-provided certification information or that it accurately reflects compliance with EU directives. However, Abbott Plastics believes that the information supplied by its vendor is accurate to the best of its knowledge.

Abbott Plastics makes no warranties, expressed or implied, and assumes no liability for this information.

Upon request, Abbott Plastics can provide our vendor certification that products are compliant with these directives. However, we leave it up to our customers to decide.
